

Student Satisfaction Survey (SSS) on overall institutional performance

The feedback is received from ten percent of the total students. Students' feedback is rated on 5 point scale from 0 to 4. There are twenty closed ended questions and one open ended question in the feedback questionnaire. Most of the students were satisfied with the syllabus covered and the teaching style of the teachers. Students also find teachers fair in internal evaluation process. The Teaching and mentoring process in college facilitates students in cognitive, social and emotional growth. Students are satisfied with the illustrations of teachers for explaining concepts through examples and applications. Most of the students also fully satisfied with the teachers' identification of students' strengths and weaknesses to encourage them with providing right level of challenges. The students' feedback also shows that they also agree that institution makes effort to engage them in the monitoring, review and continuous quality improvement of the Teaching learning process. The following Graph shows the satisfaction level of students in twenty different areas asked in the feedback questionnaire.

Some students demanded field visits for better understanding of the practical aspects of the subject, therefore, in session 2017-18 all the U.G. and P.G. departments took their students to the field trip. These were educational tours with the subject teachers followed by recreational activities at the end of the day. When students suggestions were asked there were mainly following suggestions: Better facilities of electricity, drinking water and cleaner washrooms. Keeping in mind the basic needs of students, two cleaners were appointed on daily basis and more water coolers were installed during the session. The college is situated in the rural region of the district therefore has to face the problem of electricity sometimes, for coping this problem, there are two working generators and Inverters with batteries in all the departments.

The points in the above graph are explained in the following table:

1	Syllabus covered	87%
2	Teacher's preparation for class	80%
3	Teacher's communication	82%
4	Teacher's approach to teaching	90%
5	Fairness in evaluation	95%
6	assignments	80%
7	Field visits	68%
8	Teaching and mentoring	65%
9	Opportunities to learn	85%
10	Teachers inform about expected outcome	92%
11	Mentor's follow up	95%
12	Illustration of concepts by teachers	96%
13	Teachers providing right level	85%
14	Teacher's help	86%
15	Institution's role in enhancing Teaching learning process	78%
16	Institution use student centric method	81%
17	Extracurricular activities	96%
18	Efforts for soft skills, life skills, employability	75%
19	Use of ICT tools	72%
20	Quality of Teaching learning Process	96%
