6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision : To provide low- cost quality higher education to the girl students of socio-economically weaker sections of the area, in order to bridge the rural-urban divide, and thus being about holistic national development.

Mission : As a unit of Uttar Pradesh Government Higher Education, Km. Mayawati Govt. Girls P.G. College, Badalpur is engaged in the pursuit of academic excellence, in order to achieve the empowerment of women in the adjoining rural area by:

- The development of leadership skills, inner strength and self-reliance,
- Inculcating moral values and tolerance among the students,
- Making new technological innovations available to the target group, in order to prepare them to face national and global challenges

Objectives : In order to achieve the ideals set in its vision , mission and the ideals set in the motto of the college तेजस्विनाऽवधीतमस्तु meaning- 'Enlightenment through Learning', KMGPG College Badalpur, is hopeful of leading its students to:-

- develop the discretion to distinguish between right and wrong,
- have the courage to stand up for their convictions,
- be loyal to the country and fulfill their duties as a citizen,
- increase awareness towards national and global social concerns,
- rely on themselves to face life's challenges, striving towards perfection.

The above vision and mission is printed with a bold font in the prospectus, and the annual magazine of the college every year. The vision, mission and objectives are also prominently displayed in Hindi and English, just inside the entrance to the college and the building.

6.2 Does the Institution has a Management Information System

Under process

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Since the U.G. and P.G. curriculum is prescribed by the University, the college does not have much say in it. But for Add-on courses like Computer Application, Yoga and Correctives, the college teachers planned and developed the curriculum.

The teachers of the college are not represented on the Board of Studies of the University, but they have sent suggestions to the Registrar in the past, regarding changes in syllabus.

6.3.2 Teaching and Learning

Higher Education is key to fulfilling intensive and extensive knowledge requirements for research and development. Infrastructure (especially technological infrastructure in present knowledge era) plays a great role (as a tool) to achieve excellence in teaching and research. Our college is a unit of the U. P. Govt. Higher Education department so the basic infrastructure for teaching, learning such as buildings, furniture and the number of teaching and non-teaching posts are provided by the government. Besides for purposes of curriculum and examination, our college is affiliated to the Ch. Charan Singh University Meerut, which therefore decides the syllabus and the academic calendar. However at the institutional level it is our constant endeavour to do as much as we can for the creation and enhancement of infrastructure that facilitate effective teaching and learning. The College has developed Smart rooms to enable teaching more effective. Apart from this, facilities like Wi-Fi, Internet, computer lab and enriched library were developed in the institution to encourage and assist students in learning and research activities.

6.3.3 Examination and Evaluation

- Some of the faculty participated in central evaluation process at Undergraduate and Post Graduate University Exams. In semester/annual exam of college all the faculty participated as per duty assigned.
- Institution follows the university norms and guidelines for conducting examination at P.G. level. A separate examination committee is formed for conducting internal examination (P.G. Semester) in the institution. The committee ensures that there should be no use of unfair means in the examination. Flying squad visits and takes rounds from time to time in the examination rooms.

6.3.4 Research and Development

- After a long and continuous effort CCS University recognised Department of History and Department of Political Science as Research centre in college. As a result 4 Ph.D. students got registered in college.
- Three PDF were also enrolled in college sponsored by ICSSR, Delhi.
- Two Major and One Minor research projects are ongoing.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- **LIBRARY** : There is an enriched central library in the college. This Central library has more than 8000 books, including journals, textbooks, reference books, e-resources, audio-visual resources, CDs / DVDs, newspapers, employment news etc.
- **NETWORK RESOURCE CENTER:** With the financial assistance from University Grants Commission, NRC has been set up in the college. The teachers have easy access to it, for resourcing information.
- **SMART ROOM WITH INTERACTIVE BOARD:** With the financial assistance from U.G.C. an air conditioned four smart rooms with the capacity of 100 students have been set up in the college.
- **COMPUTER LAB:** An air conditioned computer lab with 20 computers is there in the college for the students.
- **USE OF ICT IN TEACHING LEARNING PROCESS:** The college has a well equipped audio-visual class room consisting of computer with multimedia, TV, LCD, OHP, DVD player and other teaching software. Many of the teachers try to deliver lectures with notes prepared on power point presentations and transparencies. Teachers make fullest use of the learning software to retain students' interest in the subject and enhance their knowledge. Each student is guided to prepare a project related to one's syllabus and thereafter she is assisted in delivering a lecture in the classroom using multimedia teaching supports.

6.3.6 Human Resource Management

Our institute is a Govt. organization, all the process regarding recruitment, selection, posting and promotion have been organized by U.P. Government. College try to manage congenial environment for the effective human resource management.

6.3.7 Faculty and Staff recruitment

Being a government college all the recruitments are done by the U.P Public Service Commission, Allahabad and support staff selected by UPSSSB, Lucknow. College sends its requirement to the Director of Higher Education to select the suitable candidates for the vacant post.

6.3.8 Industry Interaction / Collaboration

- IGNOU study centre (SC-39016) established in college
- MoU signed with Monad University, Hapur
- We are continuously trying for collaboration & linkages with various esteemed Universities like - Delhi University , JNU , IRS Dehradun etc.

6.3.9 Admission of Students

CCS University, Meerut has central online admission procedure. Students have to apply on University portal (<http://ccsuweb.in>) directly. University generate college wise/ course wise merit list and sends a SMS to student. Student contact the college within time frame, after which college admission committee verify the credentials from original certificates and grant the admission to the students.

A Nature club is functional in the college to create environment consciousness among the students and make our planet greener. Under this banner a regular plantation programme is run in the college. Here the students are encouraged to plant more and more trees in the college as well as in their residential area. Along with this, they run awareness schemes related to sanitation, water conservation and water harvesting as well as economical use of resources like fuel, electricity, L.P.G., water, paper etc. They also create awareness related to hazardous effects of use of non-biodegradable products like polythene.

7.5 Whether environmental audit was conducted? Yes ☒ No ☐

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOC Analysis Of The College And Future Plans

STRENGTHS : -

The college has a good number of well-qualified staff, selected by the U.P. Public Service Commission. The 3 faculties- Arts, Science and Commerce are fully functional with a total of 17 departments under them. We have Post Graduate affiliation in 9 out of the 10 Arts subjects, which is a great boon for the students. Affiliation has recently been granted to Physical-Education as a separate department. The faculty and the college has been enriched by 4 major and 8 minor on-going projects, funded by the various national funding agencies - like UGC, DST and ICSSR. The growing number of students every year is another strength of the college. This increase in their numerical strength is not just quantitative, but also qualitative, which is proved by their performance at inter-college and inter -university meets.

At the infrastructural front, the college now has separate faculty blocs, its own website, and four staff quarters for non-teaching staff. A new NCC unit of 50 students was started in 2010, and two add-on courses (Computer Applications, Yoga and Correctives) are being started from this session. The sports facilities have been upgraded with the purchase of T.T. tables, Yoga, mats, and construction of a badminton court. The college also holds remedial classes for slow learners, along with various dedicated cells for women's issues, career counselling and student welfare. ICT has been promoted hugely in the college with the establishment of a smart class room, computer lab, NRC and the EDUSAT. A seminar and a workshop were organised during the last two years, with several other proposals in the pipeline.

WEAKNESSES :-

The college has sent proposals to the University for starting P.G. in 5 more subjects, and research Centres in all the 9 P.G. subjects, but they have not yet been sanctioned, due to which students interested in pursuing Ph.D. after post-graduation, cannot do so at the college level. The college library also needs to be upgraded to match research standards. A number of posts are lying vacant in several departments, which leads to overload of work on the remaining teachers. The Mathematics Department has to function with a temporary visiting faculty, and subjects like Music and Drawing and Painting cannot be offered to students as there has never been any teacher in these two departments. There is also a shortage of administrative and technical staff. Besides,

grants sanctioned by the U.G.C. take a long time to get released, which hampers the development work of the college, like the construction of a canteen and common room for students. Being a girls college, there is also the problem of dropouts, if the students get married in the middle of a course. The college also lacks transportation facilities, and students and teachers either have to depend on personal or public transport.

OPPORTUNITIES:-

The college provides a great opportunity for imparting P.G. education to girls at their doorstep. It fulfils the idea of the U.P government of increasing the reach of higher education to the students of rural areas, and the socially and economically backward classes. The college offers a disciplined campus to the teachers and students, where the use of ICT technology is also used as a method of teaching. Proximity to New Delhi makes the national libraries and institutes like U.G.C., I.C.S.S.R etc. easily accessible to the teachers and students. The college is recognized by the U.G.C. under the section 2f and 12 B, which gives the faculty a great opportunity to apply for projects and seminars. The institution is making great efforts for B.Ed affiliation, and the setting up of an IGNOU study centre, and once these endeavours bear fruit, it would provide a great opportunity for the students to go in for vocational and career-oriented courses.

CHALLENGES :-

Though the college has PG in a subjects, there is no separate P.G Block, and lack of funds is a constraint here. The arrangement of all U.G. and P.G. in the available space poses a huge challenge. The small size of the campus also becomes a constraint when we feel the lack of staff quarters and a sports field with facilities for all games. Being situated in a rural area, the erratic supply of electricity poses problems, as does the slow speed of the internet. The CCS University, Meerut with which our college is affiliated, is situated far off, so matters requiring University approval and notification pose a challenge for the management and students, and take long to get resolved. The college comes under the control of the U.P. Government in administrative matters, and under the University, for matters of curriculum and examination, due to which, there is very little scope for experimentation and/or a free hand in decision making; therefore, trying to do one's best under limiting circumstances, itself is a challenging task.

8. Plans of institution for next year

- Wi-Fi campus, Internet Facility to all students
- Establishment of P.G. in Botany, Zoology, Physics, Chemistry, and Education.
- Establishment of research centres in rest of the Seven P.G. departments and in other UG Departments.
- Establishment of language laboratories in English and Sanskrit and starting more add on courses.
- Upgradation of the Central and Departmental Libraries.
- Better infrastructure for indoor- outdoor games.
- Organising More seminars, workshops and lectures by eminent persons.
