Discussion:

The meeting began with welcome note by Principal and general briefing by Principal. The meeting started with the status of action taken on items discussed in last meeting. Following actions were reported in the meeting:

1. IQAC encouraged faculty to RC/OC/FDP/Seminar/Workshop that facilitate teacher to expand their knowledge. This was done with a view to promote academic development through FDP.
2. College has sent a proposal to UGC through CCS University for establishing college as Centre for Potential excellence (CPE).
3. After accreditation NAAC feedback is regularly taken. It is the best for evaluation of weakness and strengths.
4. Proposal has been sent to Greater Noida Authority for upgradation of College infrastructure and Authority has assured to do the same.

Meeting proceeded with discussion on the agenda.

Dr. Yadav stated that ICT infrastructure is available but with limitations. Although there is some improvement over previous years but needs further deployment. The adoption of ICT is must for teachers and students as it will help them establish a systematic structure of learning and also expose them to modern teaching aids. Mr. Goel also said that he has also noticed some improvement in infrastructure as discussed in previous meetings. Although infrastructure availability has to be increased but funding is required to do so, therefore college should follow up on funding under various schemes of government, MHRD, UGC, RUSA etc. In previous meetings it was stated that proposals & letters have already been sent to various authorities for that purpose.

Student representative said that they were gaining interest in the use of ICT in teaching and also said that they are finding it very handy in learning. Although they stated that limited infrastructure is restricting the usage of these ICT tools.

Dr. Jitendra Gupta highlighted the cautions to be taken while using technology to keep the students and staff healthy.
