Progress Report of IQAC

(20th September – 31st December 2018)

1. Effective mentoring system has been implemented in the college wherein all the students have been assigned to teachers. The mentors (Teachers) have all the information related to their mentees (students) allocated to them so if the students have any challenges related to their studies they can resolve it through their mentors.
2. 10 Certificate courses have commenced in the college from November 2018 and all of these courses are approved by the Chaudhary Charan Singh University.
3. About 95 students have enrolled in the B Voc course. The list of these students has been sent to UGC and as soon as funds are received, classes will be started.
4. Renovation of 4 smart class rooms has been completed.
5. There are 4 wheel chairs in the college which have been donated by Lions Club.
6. Construction of three temporary rooms has been done and these rooms have been allocated to NCC, NSS & Rangers.
7. To ensure college campus more clean and green order has been issued through quotations.
8. MoU has been signed for waste paper recycling with JAAGRUTI. 1,500 Kg of waste paper has been taken by them and in exchange of that paper rim has been given to college.
9. Compose pit has been created in college and is being utilized successfully.
10. Various MoUs have been signed in the college which are mentioned below –
 - a. Namo Gange
 - b. ITS Engineering College
 - c. Add On System
11. Two days workshop in textile was organized by NITRA Ghaziabad
12. Blood donation camp was organized in college premises on 1st Dec, 2018 with the help of Bhagwan Buddha Charitable Blood Bank in which free hemoglobin check up of students was done & blood was donated by students and staff of the college.
13. 10 sewing machines have been donated to Home Science Department by Navratan Corporation.
14. A self-defense program was organized between 24th – 29th Oct 2018 to give training to students on self defense.

Representation of public was done by Pradhan of village Badalpur as parents representative we had two persons, four girls were students representatives and four were Ex. Students Representatives.

Our energetic Principal Mam started the meeting with the introduction of all the members. After that she told about the importance of IQAC meeting for the overall development of college. Thereafter our dynamic member of IQAC Dr. Kishor Kumar told about the achievement of IQAC. He told that our college has started B.Voc Courses and certificate courses successfully and our all smartclasses have also running smoothly in the college. Along with this Dr Kishor kumar told that our college has started effective mentoring system. He further told that our college is planning to sign 3 MOU and out of those 3, 1 MOU with GBU is in pipeline. He further told that our college is planning to organize a national seminar in January and also planning to organize job fair to establish effective placement services for the students. He also told that college is planning 2nd issue of newsletter and organize at least 4 IQAC workshops on current burning issues. He further told about college planning that we will start green audit, beautification of campus by drowing and painting department, promote ethical values through display of motivational thoughts, Wall of welfare for promoting social responsibility and plan to publish next issue of college journal "PRAJNANA.

Our Academics representative Dr. Arun Mohan Sherry ji told that certificate courses are very good idea in present scenario. They also suggested that some clubs are promoting sale of clothes from girls colleges so we should develop the entrepreneurship skills to the girls. They further told that we should also tie up with Dayalbagh University because they promote new born baby clothes and tie up from stores for dietitian courses along with this he also suggested for taxation course tie up with the club for practical training from CA. Our NGO representative Mrs. Nargis Gupta ensures that their club will help in taxation course and provide CA firm for practical training. Dr. Saxena ji suggested on library issue that NAAC team will see only optimum utilisation of available resources so we should concentrate on e-library and e-books. They suggested on Computer Lab that equipment should be used properly and regularly. Dr. V.K.Sanwal suggested that after MOU we could share library and also take advantage of faculty exchange programme. For faculty crises Dr. Arun Sherry ji also suggested some free on line courses like UDEMI. He also suggested that we should promote online courses.

Our Public representative Shri Vijay Pal ji promise to available some more benches in the playground for sitting our college girls. Our Allumani suggested that they could help in teaching in the college and they also suggested that Allumani meet organised coursewise not combined. Dr. Arun Mohan Sherry ji also told the importance of Allumani association and quote the example of IIM Allumai association that they are helping and donating for their institution. At last Dr. Kishor Kumar gave official vote of thanks with the assurance that we will try and implement all their valuable suggestions.

Report of Internal Quality Assurance Cell (Session 2018-19)

Dr. Kishor Kumar

Co-convener-IQAC

Associate Professor- Department of History

In order to monitor standards of the higher educational institutions the UGC has established the National Assessment and Accreditation Council (NAAC) as an autonomous body, under section 12CCC of its Act in September 1994. NAAC has been instilling a momentum of quality consciousness amongst Higher Educational Institutions, aiming for continuous improvement. The Km. Mayawati Government Girls Post Graduate, Badalpur, Gautambuddha Nagar has emerged as one of the premier government college of Uttar Pradesh with Under Graduate, Post Graduate, Ph.D., Post-Doctoral and Vocational Studies in different disciplines. The College has good infrastructure, well qualified faculty members, students with great potential and environment of teaching-learning & research by regular multidimensional interaction with internal and external experts. As an internal mechanism for sustenance, assurance and enhancement of the quality culture of education, Km. Mayawati Government Girls Post Graduate, Badalpur, Gautambuddha Nagar has established the Internal Quality Assurance Cell (IQAC) for maintaining the momentum of quality consciousness, which is conceived as a mechanism to build and ensure a quality culture at the college level to meet the diverse needs of the stakeholders. The IQAC is meant for planning, guiding and monitoring Quality Assurance and Quality Enhancement activities of the college. The IQAC channelizes and systematizes the efforts and measures of the college towards academic excellence and is a facilitative and participative organ of the college. The IQAC is a driving force for ushering in quality, by working out intervention strategies to remove deficiencies and enhance qualities.

To create a culture of excellence, three IQAC meetings have been held during this session. All the stakeholders including the Chairperson, academicians, students, alumni, parents & public- NGO-Industry representatives, participated and contributed enthusiastically with tangible and intangible efforts. IQAC with collective spirit of college proposed some new targets and goals to achieve in the coming future, specifically for every next quarter. IQAC regularly introspects & analyses its goals and achievements specially the gap between proposed target and outcome. With its collective spirit the institution achieved some new milestones in this session

1. Effective mentoring system has been implemented in the college wherein all the students have been assigned to teachers for guidance. The mentors (teachers) have all the information related to their mentees (students) allocated to them so if the students have any challenges related to their studies they can resolve it through their mentors.
2. Ten Certificate courses have commenced in the college from November and all of these courses are approved by the Chaudhary Charan Singh University Meerut.

All the conveners and team of particular course design curriculum/ content objectively, so it's become a prototype effort for rest of the colleges which come under the University.

3. Two Bachelor of Vocational Course entitled "Airline, Tourism and Hospitality Management (ATHM) & Medical Lab and Molecular Diagnostic Technology (MDMT)" has been introduced and commenced effectively. The college has got grants for the above courses from University Grants Commission, New Delhi.
