

Action Taken Report

Session 2020-2021

On the basis of analysis of the feedback 2019-20, following measures were adopted in the session 2020-2021 for the betterment of the students.

1. Educational tours and field visits were organized by the departments having practical courses. Field visit was also organised by the Innovation Council of the college to motivate students by showcasing the innovative activities of other institutes.
2. The college is situated in the rural area of the district therefore has to face the problem of electricity sometimes, for coping with this problem, there are two working generators and Inverters with batteries in all the departments. Load of electricity was upgraded last year from 10kb to 50kb and solar panel was installed in the campus.
3. Keeping in mind the basic needs of students, R.O. and water coolers were repaired during the session for drinking water.
4. Cleaner washrooms- two cleaners are appointed on daily basis and washrooms of the college are renovated as per requirement. Sanitary Pad vending machine was installed for the hygiene of the students. Under the head of cleanliness committee student representatives were selected from each faculty to put forward their problems.
